B. Steps to follow in a medical emergency:

(A sample of these steps is provided in Section II B of the “Child Care Emergency Plan Guidelines” that accompany this template.

III. Emergency Evacuation Procedures.

Has written permission to use the alternate/evacuation sites listed below been secured?

A. Preparedness

1. Evacuation Plans

a. In Place Evacuation

In the event that an emergency occurs at _____ (facility name) and “in place evacuation” is necessary due to events such as a tornado, chemical spill, etc. the children will be kept at the facility, but they will be moved to _____ (secure on-site location). The children will remain here under the care and supervision of our child care staff until dangerous conditions subside.

If children are exposed to toxic fumes or injured during the emergency, they will be transported to _____ (name of hospital) by _____ (means of transportation) where they will be examined by a health care professional and the parents/guardians will be contacted.

b. On Site Evacuation

In the event that an emergency occurs at _____ (facility name) and “on site evacuation” is necessary, the children will be relocated to _____ (name of on-site evacuation site). The children will remain here under the care and supervision of our child care staff until dangerous conditions subside.

If children are exposed to toxic fumes or injured during the emergency, they will be transported to _____ (name of hospital) by _____ (means of transportation) where they will be examined by a health care professional and the parents/guardians will be contacted.

c. Off-Site Evacuation.

In the event that an emergency occurs at _____ (facility name) and “off-site evacuation” is necessary due to events such as a brush fire, flash flood, etc., the children will be relocated to _____ (name of alternate/evacuation site) by _____ (means of transportation). The children will remain at this alternate site under the care and supervision of our child care staff while parents/guardians are contacted. When parents/guardians are contacted, they will be made aware of the situation and make arrangements to pick up their child or authorize that care be provided for the remainder of the day.

If children are exposed to toxic fumes or injured during the emergency or the evacuation, they will be transported to _____ (name of hospital) by _____ (means of transportation) where they will be examined by a health care professional and the parents/guardians will be contacted.

d. Major Disasters or Emergencies

In the event that a major emergency or disaster occurs (such as major environmental hazards, tornados, hurricanes, earthquakes, etc.) and/or a mandatory evacuation is ordered, children will be transported to a Red Cross designated mass shelter by _____
 _____ (means of transportation). The children will remain at the Red Cross shelter under the care and supervision of our child care staff while parents/guardians are contacted. When parents/guardians are contacted, they will be made aware of the situation and make arrangements to pick up their child.

If children are injured during the emergency or the evacuation, they will be transported to _____ (name of hospital) by _____
 _____ (means of transportation) where they will be examined by a health care professional and the parents/guardians will be contacted.

e. Radiological Evacuations (to be completed by providers located within a 10 mile radius of a nuclear power plant in the following counties: Aiken, Allendale, Barnwell, Chesterfield, Darlington, Fairfield, Lee, Lexington, Newberry, Oconee, Pickens, Richland, and York)

If a mandatory evacuation is ordered because of an emergency at a nuclear power plant, children will be transported to _____ (evacuation location*) by _____ (means of transportation). The children will remain at the evacuation location under the care and supervision of our child care staff while parents/guardians are contacted. When parents/guardians are contacted, they will be made aware of the situation and make arrangements to pick up their child.

If children are injured during the emergency or the evacuation, they will be transported to an area hospital as determined by local emergency management officials where they will be examined by a health care professional and the parents/guardians will be contacted.

*** Evacuation locations are designated by your County Emergency Management Agency. Providers must list the evacuation site for their facility in this section of the emergency plan. Please call Child Care Licensing at 1-800-556-7445 to find out where your evacuation site is located if you have not already been provided that information.**

2. The plan will be reviewed annually and updated as needed. The dates the plan was reviewed are listed on the front cover.

3. The plan will be available for immediate review by staff, parents, and Child Care Licensing during business hours.

5. When children are relocated, the staff member who will maintain the children's records and the documentation for a child's release to an authorized person is:

- Take any necessary medications and emergency supplies with them during an evacuation
- Take the children’s emergency records with them during an evacuation
- Take a cell phone if available to use for notifying parents/guardians

C. Relocation of Child Care Facility

In the event of a natural disaster or unscheduled closing of a neighboring child care center, capacity may be exceeded temporarily for a maximum of 90 days to accommodate the displaced children with approval from Child Care Licensing. If approval is given for expanded capacity, appropriate staff:child ratios will be maintained at all times. Required records will be kept on file for the new enrollees.

- To exceed capacity, Child Care Licensing will determine capacity issues prior to children being accepted in the relocated facility.
 - a. The facility which plans to accept displaced children will notify Child Care Licensing at 1-800-556-7445 for approval once plans have been made by the director.
 - b. Parents will be referred to SC Child Care Resource and Referral Network (CCR&R) to access local child care facilities in their area.
- Once the facility receives approval from Child Care Licensing, the facility may accept the displaced children and staff.
 - a. Children’s records will be maintained on file at the facility and made available to DSS.
 - b. If the facility wishes to hire staff from the damaged facility temporarily to ensure staff:child ratios, the staff records must be on site and available to DSS.
