

Are you a Teacher of Four-Year-Olds in SC? You are invited to attend the **Palmetto Pre-K Jamboree!**

**Palmetto Pre-K** is an activity in the Preschool Development Birth-5 grant that involves all partners across Pre-K programs statewide serving 4-year-olds. DSS, SC Childcare Early Care & Education, SC First Steps 4K, SCDE Office of Early Learning and Literacy, and Head Start invite you to join us as we learn, share and develop best practices for Pre-K teachers at the **Palmetto Pre-K Jamboree**.

You may register at one of three sites for one, two or all three days- June 11, 12 and 13- at NO charge. Each site will feature early childhood specialists Lisa Murphy (the Ooey Goey Lady), Dr. Anthony Broughton (Mister B), Conscious Discipline Certified Instructors (**UPDATE to the Conscious Discipline Day—The day will be broken into 2 groups- one for new users and one for experienced users**), and ECE expert trainers from our SC partner agencies. DSS training credit will be awarded for all days. SCDE renewal credit will be available to certified teachers as well.

Lunch will be provided daily. An inaugural **Palmetto Pre-K** t-shirt and other goodies will go home with each participant. Registration is 8:30-9:15 each day. We will begin sharply at 9:15 and end at 3:30 every day.

Space is limited each day to 200 Teachers of Four-Year-Olds at each location. To register for this FREE event, [click here](#). **The deadline for registration is June 5, 2019 at 12 Noon.**

If you have questions regarding registration, please contact Jamie Sanders at 803-734-8280 or [jasanders@ed.sc.gov](mailto:jasanders@ed.sc.gov). If you have already registered and you want to add another day, contact Jamie.

We look forward to seeing you at the **Jamboree!**
