Purpose of this Form

In accordance with Title 42 United States Code (U.S.C.) §9858 (f) – Criminal Background Checks; U.S. Department of Health and Human Services (DHHS), Title 45 Code of Federal Regulations (C.F.R.), Subchapter A, Section 98.43 – Child Care and Development Fund (CCDF) (a.k.a. the Child Care and Development Block Grant (CCDBG) Act); South Carolina Code of Laws, Section §63-13-40 (A) – Background Checks for Employment; and states shall have requirements, policies and procedures to require all licensed, regulated and registered child care providers; as defined under Title 42 U.S.C. §9858 (f)(i)(2) and South Carolina Code of Laws, Section §63-13-40 (A), to conduct a comprehensive criminal background check upon all current and prospective employees who are employed by a child care provider for compensation or whose activities involve unsupervised access to children who are cared for by the child care provider.

The information obtained from this form is used as the basis for this criminal background check. Providing this information is **not** voluntary for positions with unsupervised access to children. The required investigation cannot be completed, or completed in a timely manner, if each item of information requested is not provided in full. The CCDF requires child care service providers to complete criminal background checks **at least once every five (5) years**.

Authority to Request this Information

The South Carolina Department of Social Services is authorized to ask for this information under Title 42 U.S.C. §9858 (f) – Criminal Background Checks; Title 45 C.F.R., Subchapter A, Section 98.43 – Child Care and Development Fund (CCDF) (a.k.a. the Child Care and Development Block Grant (CCDBG) Act); and South Carolina Code of Laws, Section §63-13-40 (A).

Federal and State agencies are routinely required to utilize a Social Security Number to identify individuals in agency records; this is to insure the accuracy of those records. This background investigation requires that a detailed search be conducted within all Federal and State criminal and sex offender registries and repositories and that a review be conducted of all Federal and State arrest and conviction information.

The Investigative Process

Criminal background checks are conducted using your responses on this form to develop information to determine eligibility for existing and/or prospective child care providers staff members; as defined under Title 42 U.S.C. §9858(f)(i)(2). The information that you provide on this form will be verified during the investigation. As a normal part of this process, you may be contacted by SCDSS to update, clarify, and/or explain information obtained during the background check. It is important that you respond as soon as possible if contacted.
