Using Adobe Reader DC to Fill Out and Sign Forms:

Adobe Reader DC is a free software that allows users to fill out any form and sign it. It is available here:
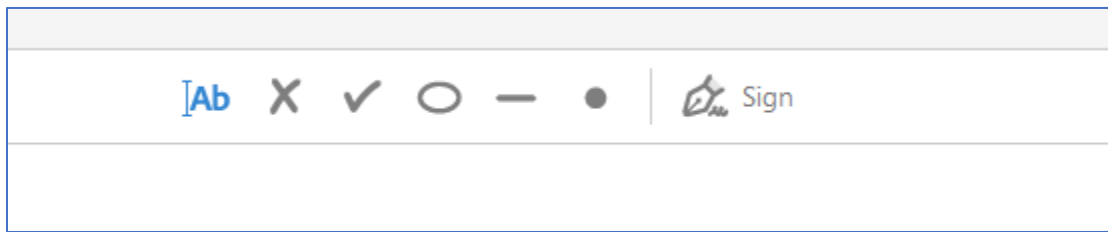

https://get.adobe.com/reader/

Open a PDF. On the right hand side, you will see options ot fill and sign:

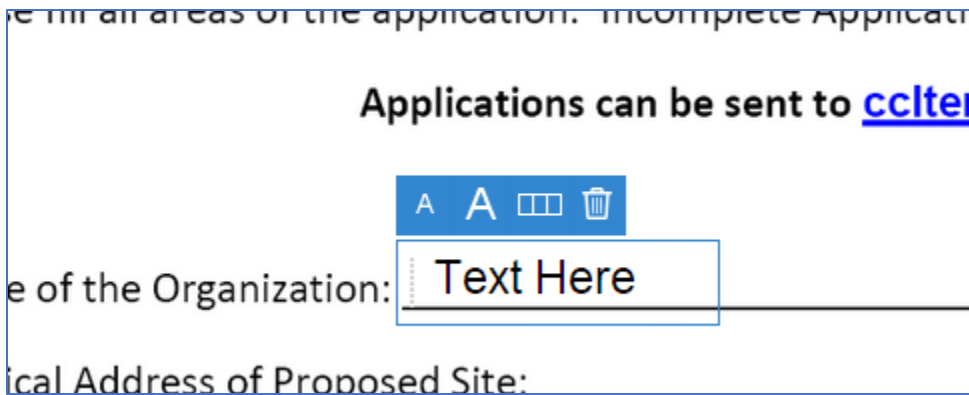

If you don't see them, you can access them by clicking on Tools and then Fill & Sign:

After clicking on Fill & Sign, you will have the following tools:

Clickingon the AB allows you to enter text any where on the form:

The X, Check, Circle, Dash and Dot do the same:

Sign allows you to add a signature:

You can type it, draw it, or import a signature:

It can then be added to the form:

When you save a form with a signature or initials you will no longer be able to edit the existing form fields.
