DSS is issuing an application for the fourth round of Child Care Operating Grants to help child care providers that have had to close or have lost revenue due to low enrollments during the last several months as a result of COVID-19. This grant opportunity is available to assist providers in paying for their child care facility expenses, including rent/mortgage payments, utility bills, cleaning or sanitation costs, and personnel costs which may include salary increases, retention bonuses, etc.

Grants will be issued to licensed or registered child care centers, group child care homes, and family child care homes. Head Start facilities, as well as 4K/preschool programs operated by public schools and other approved (licensed) facilities owned and operated by the school district, are not eligible for an Operating grant.

**Note: Child care facilities that have permanently closed are NOT eligible to apply for this grant.**

Providers who are currently in the ABC Quality program and set up for direct deposit will have their funds deposited into this same account. If a provider previously applied for and received an Emergency Operating Grant earlier this year, your bank account information remains on file and upon approval the COVID Support funds will be deposited into the same account as the previous grant.

Grant amounts will be determined based on the chart below:

The terms and conditions of the grant are as follows:

- Providers will use the grant funds to offset child care business expenses, including rent/mortgage payments, utility bills, cleaning or sanitation costs, and personnel costs.

- Providers will maintain documentation supporting the expenditure of grant funds which may include records of application approval, receipts, invoices, and/or any other supporting documentation indicating how funds were used. Documentation must remain on file at the facility for a period of three (3) years from the date the grant is completed as needed to satisfy a possible audit. Documentation may be requested at any time by DSS and, if requested, will need to be provided within fifteen (15) calendar days of the request.
