A time for fun and excitement mixed with a message of encouragement and gratitude all shaped this year's Health and Fitness Game, hosted by USC Women's Basketball and the DSS Division of Early Care and Education (DECE) on Sunday, March 1, 2020. For the last seven seasons, DSS DECE provided 1000 tickets to Head Start families who travel from all over the state to participate in the event. Children and families are able to visit over 20 exhibit tables providing giveaways that promote health and fitness, while also recognizing a DSS Adoptive Family of the Year, and the Head Start's Program Father of the Year.
