MILITARY
CHILDCARE  **COM**

A Department of Defense website where military families find
and request child care.

MCCYN

Expanding Affordable Child Care

Eligible community child care providers can extend their care to the military community through participating in the **Military Child Care in Your Neighborhood program**—A Department of Defense child care fee assistance program.

By participating in the **MCCYN program**, community providers can make it easier for military families to access quality and affordable child care, so they can focus on the mission.
